A Luxurious Villa six-bedroom resort property situated on the stunning Andalusian coast of southern Spain, offering beautiful accommodation and exceptional views of the mountains and Mediterranean Sea. Completed in 2014, Villa Sotogrande fuses classic Spanish architecture with contemporary interior design, boasting three floors of elegantly furnished bedrooms and living spaces, indoor and outdoor dining facilities, a resort-style gym and spa, as well as a serene garden with salt-water infinity-edge pool.

Located at the heart of the exclusive Sotogrande estate, an area of natural beauty and tranquillity, Villa Sotogrande is in close proximity to outstanding sporting facilities, such as the world class Valderrama and San Roque golf courses and the Santa Maria Polo Club, as well as the picturesque Sotogrande Marina.

Receiving over 320 days of sunshine every year, and set amongst secluded grounds, fragrant with Pistacia Lentiscus, Jasmine and centuries-old Olive & Cypress trees, Villa Sotogrande offers the perfect retreat.

SIX DELUXE SUITES

Drift into peaceful slumber in one of Villa Sotogrande's six spacious and luxurious double suites. Each accommodates an en-suite marble bathroom with walk-in rainfall shower, as well as a variety of amenities including built-in HD TV and sound system with on-demand TV and movies.

SPACIOUS LIVING AREAS

In addition to the secluded courtyards and private gardens throughout the property, the spacious and comfortable lounge offers a serene space to sit back and relax to the gentle sounds of the grand piano. Or otherwise retreat to the comfortable sitting room, where a 70” HD TV offers on-demand TV and movies.

SECLUDED GARDEN & POOL

Relax on the shaded seating and sun loungers of the covered terrace, with views of the villa's secluded mature garden. A large lawn, framed by rows of centuries-old cypress and olive trees, leads to a 17m infinity edge salt-water swimming pool and discreet garden shower.

ELEGANT INDOOR & OUTDOOR DINING

Enjoy a healthy start to the day with breakfast served on the rustic wooden table in the kitchen, later graduating to the elegant ten-person dining room – a perfect spot for evening entertaining. Alternatively, enjoy an al fresco dining experience on the covered terrace, or perhaps a barbecue prepared in the garden pavilion.

FULLY EQUIPPED KITCHEN

Enjoy a light meal prepared in the premium Gaggenau-fitted kitchen, featuring a Teppanyaki grill, dual wine fridges, ice maker, and fully-automated fresh coffee machine. Plentiful cooking utensils, crockery and cutlery are supplied, and a personal chef can be provided upon request.

OPEN-AIR SUN TERRACE

Looking out over the mountains and Mediterranean Sea, the day beds and sofas on the upper level sun terrace offer sun worshippers a perfect space to tan. Once the sun has set, the terrace becomes an elegant stargazing platform featuring a spacious six-person hot tub. Access to the open-air sun terrace is available from the Master Suite, and 2 Suites.

STATE-OF-THE-ART 4K CINEMA

Located on the lower level, a soundproofed ten-person private cinema boasts a massive 4.3m cinema screen and state-of-the-art Sony 4K widescreen projector with 7.2 Steinway digital surround sound system. Relax at any time of day on the luxurious reclining leather seats, and choose from over 300 recent release and classic HD movie titles from the on-demand digital library. Or make use of the Blu-Ray player, Sky TV, Apple TV, or Sony PS3 and Nintendo Wii games consoles.

FULLY-STOCKED WINE CELLAR

A fully-stocked and temperature-controlled wine cellar is also located on the lower level.
